The case of A.B. Jones for being drunk was brought before the church. Bro Jones being present and not a majority of the members of the church present he made the following statement of his case to be acted on hereafter. To wit, just out of a hard spell of sickness and owing to my health and feeble lungs was recommended by Dr Wm M. McNeill to use ~~brandy~~ brandy and honey. Had a hard ague on the day at J.A. Johnsons store and took only two small drinks which made me feel very bad, but I did not believe it was drunkenness.

The time at Lillington only took one drink which I threw up in a very short time only a few moments I lost the use of myself for about fifteen minutes dont call it drunkenness but believe it was the effect of spirits on the constitution I acknowledge that I am very sorry for any rong connected with either of the occasions hope the church will forgive promise not to do so any more.
